

## Central Government

### New Zealand Government

NZGO is the Official Gateway to New Zealand Government. It provides an overview of New Zealand and its government, access to government services information, as well as government agency contact details.

[www.govt.nz](http://www.govt.nz)

---

### Ministry of Economic Development

The Ministry of Economic Development produces and coordinates policy advice related to economic, regional and industry development.

[www.med.govt.nz](http://www.med.govt.nz)

*New Zealand Petroleum & Minerals is part of the Ministry of Economic Development.*

### Business.govt

Business.govt.nz is the New Zealand government business site. The information and tools on its website are designed specifically for small and medium-sized businesses, and the people who advise and support them.

Business.govt.nz provides free access to a wide range of resources. It acts as a gateway to government and private sector business information, news and services.

[www.business.govt.nz](http://www.business.govt.nz)

### Energy and Communications Branch

This group provides policy advice on integration of energy and environment policy, on environment issues from a business perspective, and the quality of environmental regulation.

[www.med.govt.nz](http://www.med.govt.nz)

### Companies Office

The Companies Office is the government agency responsible for the administration of corporate body registers, including the Companies Register.
