

Regular maintenance window to change

05 January 2010 - From Sunday, 17th January 2010 Crown Minerals will be carrying out the routine maintenance of its site on a Sunday night. This will replace our traditional Monday night maintenance window.

For the first maintenance window of 2010 a major upgrade is scheduled. An earlier outage time will occur on Sunday, 17th January 2010 from 4.00pm and normal services should be restored by Monday, 18 January 2010 at 1.00am.

Future maintenance windows will occur during our normal maintenance window of a Sunday from 9.00pm until 11.00pm unless otherwise stated on the day of the maintenance window.
