Title	Author	Paper
Keynote Address		
The growth and contribution of the petroleum industry to New Zealand	Hon D J Butcher	 [308 kB PDF]
Potential impacts of a major oil discovery on New Zealand	M R Bowlin	 [1.3 MB PDF]
The challenges of international growth and competitiveness	RG Sawka	 [556 kB PDF]
Investment in New Zealand	Hon J K McLay	 [1.3 MB PDF]

Title	Author	Paper
Exploration		
An overview of the New Zealand petroleum exploration scene and the role of Government in petroleum exploration	ER Cole	 [382 kB PDF]
The Chatham Rise: An exploration frontier	RA Cook	 [436 kB PDF]
The application of deep seismic reflection profiling to petroleum	TA Stern	 [1.4 MB PDF]
The exploration potential of the Great South Basin	R A Cook	 [467 kB PDF]
The South Wanganui Basin: a neglected hydrocarbon prospect	HR Katz	 [595 kB PDF]

Airphoto and Satellite Imagery Lineaments and Hydrocarbon Exploration	H McQuillan	 [1.1 MB PDF]
Source rock and redervior potential of northern East Coast Basin, North Island, New Zealand	SW Duff	 [579 kB PDF]
Kapuni 3D seismic: application of a modern exploration and production technique in New Zealand	C Bukovics	 [1.4 MB PDF]

Title	Author	Paper
Geology and Geophysics		
Cretaceous-Cenozoic basin evolution and hydrocarbon potential of Canterbury	BD Field	 [538 kB PDF]
A petroleum geology analysis of the Canterbury Basin, New Zealand	TR Haskell	 [929 kB PDF]
Tectinics of the Taranaki Rift	GP Thrasher	 [787 kB PDF]
Polyphase evolution of the Taranaki Basin, New Zealand: changes in sedimentary and structural style	PR King	 [1.6 MB PDF]
The structural setting and depositional history for the Kupe South Field, Taranaki Basin	DS Schmidt	 [1.7 MB PDF]
Late Cretaceous- Early Paleogene stratigraphic sequence in Marlborough and possible offshore seismic equivalents	CP Strong	 [1.1 MB PDF]
Te Aute Group limestone: A potential reserviorrock in the East Coast Basin, New Zealand	FJ Harmsen	 [3.2 MB PDF]
Gravity expression of the Patea-Tongaporutu High and subsequent model of the Taranaki Basin margin	C Mills	 [573 kB PDF]
Tariki Sandstone Early Oligocene hydrocarbon reservoir Eastern Taranaki, New Zealand	JF De Bock	 [664 kB PDF]
Stratigraphic and structural evolution of the West Southland sedimentary basins	CI Uruski	 [1.7 MB PDF]
Hydrocarbon potential of the Murchison Basin: a new working model	MP Crundwell	 [791 kB PDF]
Palynofacies as a tool for the interpretation of depositional environments in the Waikato and Taranaki Basins, New Zealand	DT Pocknall	 [711 kB PDF]
Inversion structures and hydrocarbon potential of the Southern Taranaki Basin	E Ellyard	 [791 kB PDF]
Hydrocarbon propectivity of Taranaki Basin well sequences assessed by apatite fission track analysis	PJJ Kamp	 [784 kB PDF]
The NZ Geological Survey Cretaceous-Cenozoic Basin Studies Programme: Objectives, outline of progress and results	MG Laird	 [585 kB PDF]

Title	Author	Paper
Geochemistry		

What is the source of Taranaki Basin oils? Geochemical biomarkers suggest it is the very deep coals and shales	JH Johnston	 [590 kB PDF]
Oil-source rock correlations determined by sulphur isotope geochemistry	BW Robinson	 [507 kB PDF]
Carbon and Hydrogen Isotopic composition of Methane from Northland and west Waikato	GL Lyon	 [539 kB PDF]

[Top](#)

Title	Author	Paper
Environment		
Environmental effects of petroleum exploration: a practical perspective	FR Engelhardt	 [669 kB PDF]
Environmental considerations in petroleum exploration in New Zealand	JS Auld	 [716 kB PDF]
Oil spills:some aspect of contingency planning	RKH Falconer	 [533 kB PDF]
Environmental regulation and petroleum exploration:perceptions and reality	P Kingett	 [466 kB PDF]
Maui Stage II environmental assessment process: achievements and lessons learnt	M McLea	 [400 kB PDF]
The public and the environment:coping with the system	JRP Clarke	 [461 kB PDF]
Marine biological resource data as an aid to oil exploration impact assessment	KR Grange	 [353 kB PDF]

[Top](#)

Title	Author	Paper
Industry		
Refining New Zealand's oil	RP Gunston	 [310 kB PDF]
Natural gas from coal, Southgas investigations at Ohai, New Zealand	MP Cave	 [680 kB PDF]
Maui appraisal campaign and Maui-B development planning	D Zaborski	 [408 kB PDF]
The international petroleum investment environment:global trends and prospects for New Zealand	PJ Caragata	 [465 kB PDF]
A generalized method for making optimal estimates of reservoir-aquifer parameters	D Khairkhah	 [274 kB PDF]
A petroleum engineering overview of the McKee Field	CK Longson	 [479 kB PDF]
Handling of high wax New Zealand crudes from production tubing to tanker	G Slater	 [626 kB PDF]

[Top](#)

Title	Author	Paper
Economics		
Risk management in the oil and gas industry: problems and solutions	KG Hales	 [312 kB PDF]
Petroleum investments in New Zealand: economics and prospectivity	WG Allinson	 [334 kB PDF]
The Taxation regime and Government policy relating to its participation in exploration	JMD Willis	 [524 kB PDF]
