

## Permit 55789 - Onshore, East Coast

A permit for onshore exploration has been awarded to Mont D'Or Petroleum Resources Ltd.

Mont D'Or have committed to acquire a minimum of 1,675 km of gradiometric, gravity or magnetics data, carry out geological field studies and reprocess 100 km of 2D seismic data within 12 months, starting from April. If results are positive this may lead to exploration drilling.

## About the permit area

This permit covers 890 km<sup>2</sup> on the east coast of the North Island. The area the permit is in was included in the tender as part of Block 13EC2.

## Consultation undertaken

Prior to the launch of Block Offer 2013 NZP&M consulted iwi, hapū and councils in the relevant areas. Four submissions were received. Three were from iwi/hapū and one from a local authority. The iwi submission noted that they "maintain its interest in petroleum, gas and minerals and it has not foregone its rights within the lwi rohe".
