

UNDER SECTION 41A, CROWN MINERALS ACT 1991

Notification of change of control

This form is to be used for a notification of a change of control^{1,2} only.

- New Zealand Petroleum & Minerals recommends that applicants familiarise themselves with the Crown Minerals Act 1991 (the 'Act'), the relevant regulations, and the relevant Minerals Programme, and seek professional advice where appropriate before notifying a change of control. See www.nzpam.govt.nz/our-industry/rules-regulations/ for more details.
- The personal information you must include in this form is needed to process your application under the Act. You have the right under the Privacy Act 1993 and/or the Official Information Act 1982 to access information held about you by New Zealand Petroleum & Minerals and request that this information be corrected if necessary.
- If the space on any part of this form is insufficient to include all relevant details, place them at the beginning of the supporting information document in the order they appear in this form, state 'see supporting information' in the appropriate space, and attach the document to the application.

¹ If the permit participant is a corporate body and undergoes a change of control this must be notified to the Minister.

If a corporate body has provided a guarantee for a permit participant, and that guarantor undergoes a change of control, this must also be notified to the Minister under section 41A.

² A change of control is defined in section 41A of the Act. In summary, a change of control is when a person or person together with one or more specified persons, obtain the power (whether directly or indirectly) to exercise, or control the exercise of, 50% or more of the voting rights in the corporate body. This will include, but is not limited to, when 50% or more of the share of the company is sold. Change(s) of control must be notified to the Minister within 3 months of the change of control.

NZP&M is a branch of the New Zealand Ministry of Business, Innovation and Employment. We manage New Zealand's Crown Mineral Estate. Our aim is to maximise the gains to New Zealand's economy from development of these resources, a key component to the government's Business Growth Agenda. To support this aim we endeavour to educate and inform New Zealanders, including consultation with indigenous stakeholders and local government.
