

Minerals in New Zealand

History of minerals and coal [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/history/]

The development of the New Zealand mining industry since 1840.

Phases of mineral exploration and production [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/phases/]

Prospecting and exploration activities are used to identify the location and size of mineral deposits before possibly mining the resource.

Prospecting [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/phases/prospecting/]

Exploration [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/phases/exploration/]

Production [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/phases/production/]

Minerals data [http://mbie17.cwp.govt.nz/our-industry/nz-minerals/minerals-data/]

New Zealand Petroleum and Minerals provides the minerals industry with free, up-to-date, and extensive exploration datasets.
